

PROBLEM RESOLUTION

Instead of tearing down off-colored brick runs, give us a call for the more affordable and time-sensitive solution

ADDITIONS

As long as the masonry is absorbent, we can stain new additions to match an existing structure, or color enhance the old brick to match the new addition

MAKEOVERS

Does the color of your brick look outdated? Resist the urge to reach for that paint can. Call us instead

REPAIRS

Power wash damage, graffiti removal and insurance repairs don't need to be an eyesore forever. Our stain will naturally color correct repairs, and no one will know that any damage had been done

RESTORATIONS

When restoring a building to its original beauty, choose a proven masonry stain over the costly and lengthy solution of replacing the brick

BrixFix is your local masonry staining installation company. We've trained extensively with Masonry Cosmetics to perfect the proprietary masonry staining system that permanently bonds with any porous masonry product including brick, block, mortar, natural and manufactured stone.

We know how important every project is to you, so it's important to us too. Which is why we create custom recipes for each job, and stain each masonry product one-by-one for your ideal results.

MASONRY STAINING FOR PROBLEM RESOLUTIONS

Different runs of brick used on the same building can be off-colored eyesores. This doesn't need to ruin your reputation or cause angry customers. We can correct these color issues at

the plant or on-site after installation. Next time you have this issue, give us a call for the affordable, time-sensitive and long-lasting solution.
