HOW CAN WE HELP YOU **MATCH BRICK?**

Repairs and additions don't need to become a nightmare project when the masonry product needed is discontinued. Find a brick with similar size, texture and base color, and leave the rest to the masonry staining experts.

ABOUT THE **WORLD-RENOWNED MASONRY STAIN**

Since 1994, Masonry Cosmetics has developed, manufactured and applied the leading masonry stain around the globe. With proof of permanence (over 400 case studies of excellence) and the only Lifetime Warranty in the industry, BrixFix uses Masonry Cosmetics' masonry staining system because it's the best choice for brick, mortar, stone and more.

FRIENDS **DON'T** LET FRIENDS **PAINT BRICK.**

DECREASES VALUE

Brick homes have a higher resale value - this can change when brick is sealed by paint

TRAPS MOISTURE

Sealed brick traps in moisture - destroying the structural integrity and causing mold

MAINTENANCE ISSUES

Needs to be reapplied every few years or removed completely - a costly, complex process
